**2.1 SNMP AGENT DEVELOPMENT STUDIOS FOR WINDOWS ..... 5**

**2.1.1 NuDesign Professional SNMP Agent Studio for Windows ..... 5**

2.1.1.1 Development Tools License for Professional SNMP Agent Studio for Windows ..... 5

2.1.1.2 Support Contracts for Professional SNMP Agent Studio Products for Windows ..... 5

2.1.1.3 Source Code & Runtime Options for Professional SNMP Agent Studio for Windows ..... 6

**2.1.2 NuDesign SNMP Agent Studio for Windows ..... 7**

2.1.2.1 Development Tools License for SNMP Agent Studio for Windows ..... 7

2.1.2.2 Support Contracts for SNMP Agent Studio Products for Windows ..... 7

2.1.2.3 Source Code & Runtime Options for SNMP Agent Studio for Windows ..... 8

**2.1.3 NuDesign SNMPv3 Agent Service for Windows ..... 9**

2.1.3.1 Runtime Options for SNMPv3 Agent Service for Windows ..... 9

2.1.3.2 Support Contracts for SNMPv3 Agent Service for Windows ..... 9

**2.2 SNMP MANAGER DEVELOPMENT STUDIOS FOR WINDOWS ..... 10**

**2.2.1 NuDesign SNMP Manager Studio for Windows ..... 10**

2.2.1.1 Development Tools License for SNMP Manager Studio for Windows ..... 10

2.2.1.2 Support Contracts for SNMP Manager Studio for Windows ..... 10

2.2.1.3 Source Code & Runtime Licenses for SNMP Manager Studio for Windows ..... 11

**3 DEVELOPMENT STUDIOS, APPLICATIONS & RUNTIMES FOR LINUX & EMBEDDED SYSTEMS ..... 12**

**3.1 NDCONF AGENT DEVELOPMENT STUDIO - YANG BASED AGENT WITH NETCONF, CLI, OPTIONALLY RESTCONF AND SNMP ACCESS FOR LINUX & EMBEDDED SYSTEMS ..... 12**

**3.2 SNMP AGENT DEVELOPMENT STUDIOS FOR LINUX & EMBEDDED ..... 13**

**3.2.1 NuDesign SNMP Agent Studio for Linux ..... 13**

3.2.1.1 Development Tools License for SNMP Agent Studio for Linux ..... 13

3.2.1.2 Support Contract for SNMP Agent Studio Products for Linux ..... 13

3.2.1.3 Source Code & Runtime Options for SNMP Agent Studio for Linux ..... 14

**3.2.2 NuDesign SNMPv3 Agent Service for Linux Servers (SNMPv3 daemon) ..... 15**

3.2.2.1 Runtime Options for SNMPv3 Agent Service for Linux Servers ..... 15

3.2.2.2 Support Contracts for SNMPv3 Agent Service for Linux Servers ..... 15

**3.2.3 NuDesign SNMP Agent Studio for Embedded Linux & RTOS ..... 16**

3.2.3.1 Development Tools License for SNMP Agent Studio for Embedded Linux & RTOS ..... 16

3.2.3.2 Support Contracts for SNMP Agent Studio Products for Embedded Linux & RTOS ..... 16

3.2.3.3 Source Code & Runtime Licenses for SNMP Agent Studio for Embedded Linux & RTOS ..... 17

**3.3 CLI DEVELOPMENT STUDIOS FOR EMBEDDED LINUX & RTOS SYSTEMS ..... 18**

**3.3.1 NuDesign Hierarchical CLI Builder Studio for Embedded Linux & RTOS ..... 18**

3.3.1.1 Development License for CLI Builder Studio for Embedded Linux & RTOS ..... 18

3.3.1.2 Support Contracts for CLI Builder Studio for Embedded Linux & RTOS ..... 18

3.3.1.3 Source Code & Runtime Licenses for CLI Builder Studio for Embedded Linux & RTOS ..... 19

**3.4 SNMP MANAGER DEVELOPMENT STUDIOS FOR EMBEDDED LINUX & RTOS ..... 20**

**3.4.1 NuDesign SNMP Manager Studio for Embedded Linux & RTOS ..... 20**
3.4.1.1 Development Tools License for SNMP Manager Studio for Embedded Linux & RTOS ..... 20
3.4.1.2 Support Contracts for SNMP Manager Studio for Embedded Linux & RTOS ..... 20
3.4.1.3 Source Code & Runtime License for SNMP Manager Studio for Embedded Linux & RTOS ..... 21
**3.4.2 NuDesign SNMP MIB Compiler C++ Library for Linux ..... 22**
3.4.2.1 Development License for SNMP MIB Compiler C++ Library for Linux ..... 22
3.4.2.2 Support Contracts for SNMP MIB Compiler C++ Library for Linux ..... 22
3.4.2.3 Source Code & Runtime License for SNMP MIB Compiler C++ Library for Linux ..... 22

**4 SNMP APPLICATIONS FOR DEVELOPERS ..... 23**

**4.1 VISUAL MIBROWSER PRO (INCLUDES SNMP TRAFFIC MONITOR FUNCTIONALITY) & VISUAL MIBUILDER FOR WINDOWS ..... 23**

**4.1.1 User Licenses for SNMP Developer's Applications ..... 23**
**4.1.2 Support Contracts for SNMP Developer's Applications ..... 23**

**5 SNMP APPLICATIONS FOR OEM AND END USER ..... 24**

**5.1 VISUAL MIBROWSER PRO FOR WINDOWS (INCLUDES SNMP TRAFFIC MONITOR FUNCTIONALITY) ..... 24**

**5.1.1 User Licenses for Visual MIBrowser Pro ..... 24**
**5.1.2 Support Contracts for Visual MIBrowser Pro ..... 24**

**5.2 NUDESIGN SNMPV3 AGENT SERVICE FOR WINDOWS ..... 24**

**5.2.1 Runtime Options for SNMPv3 Agent Service for Windows ..... 24**
**5.2.2 Support Contracts for SNMPv3 Agent Service for Windows ..... 24**

**5.3 NUDESIGN SNMPV3 AGENT SERVICE FOR LINUX SERVERS (SNMPV3 DAEMON) ..... 25**

**5.3.1 Runtime Options for SNMPv3 Agent Service for Linux Servers ..... 25**
**5.3.2 Support Contracts for SNMPv3 Agent Service for Linux Servers ..... 25**

**6 EXTENDED SUPPORT CONTRACTS ..... 26**

**7 AGENT DEVELOPMENT CLASSES ..... 26**

**7.1 SNMP AGENT ..... 26**

**7.2 NETCONF / RESTCONF / YANG AGENT ..... 26**

**8 PRODUCT UPGRADE PRICING ..... 27**

**9 PRODUCT SHIPPING AND HANDLING ..... 27**

**10 PURCHASE ..... 27**

# 1 License Terms Summary

- **'Single Developer License'** provides that the licensed tool can be installed on a single development station for the purpose of developing a licensee's application.
- **'Site Developers License'** provides that the licensed tool can be installed on any number of development stations for the purpose of developing a licensee's application. All development stations are confined to only one physical location of the licensee's company.
- The NuDesign software **'Runtime License'** number defines the maximum number of licensee's computers that have the licensed NuDesign software installed at any one time.
- The NuDesign application's **'User License'** number defines the maximum number of the licensed NuDesign application installed at any one time.
- The NuDesign application's **'Site Users License'** provides that the licensed application can be installed on any number of the licensee's stations. All licensee stations are confined to only one physical location of the licensee's company.
- NuDesign's '**Specific Product Line Source Code License'** and **'Royalty Free Specific Product Line Runtime License'** are for a single, specific functionality Product Line used in a specific application / market segment, that is implemented using a specific CPU / Operating System pair. All specifics must be identified in a mutually signed Software License Agreement.

# 2 Development Studios, Applications & Runtimes for Windows

## 2.1 SNMP Agent Development Studios for Windows

### 2.1.1 NuDesign Professional SNMP Agent Studio for Windows

#### 2.1.1.1 Development Tools License for Professional SNMP Agent Studio for Windows

| Product / Description | Product ID | Sales Price (US$) |
|---|---|---|
| **NuDesign Professional SNMP Agent Studio for Windows Development License consists of:**<br>• **Visual xAgentBuilder for C++: Visual Studio integrated, C++ code generation wizard for standalone SNMPv1/v2c/v3 Windows Agents, Extension subagent DLLs or Remote AgentX subagents.**<br>• **Distributable SNMPv3 Agent Configuration Editor.**<br>• **SDK for Multiprotocol SNMP Agent for Windows, contains SNMPv1/v2c/v3 Windows C++ libraries.**<br>• **Visual MIBuilder**<br>• **Visual MIBrowser Professional (includes SNMP Traffic Monitor functionality)** | | |
| **Single Developer License for NuDesign Professional SNMP Agent Studio for Windows**<br>Includes 1 set of agent development tools License. Runtime License is separate and needs to be selected from Section 2.1.1.3. | **NDT-2550** | $4,500 |
| **3 Developers License for NuDesign Professional SNMP Agent Studio for Windows**<br>Includes 3 sets of agent development tools License. Runtime License is separate and needs to be selected from Section 2.1.1.3. | **NDT-2551** | $8,000 |
| **Site Developers License for NuDesign SNMP Agent Studio for Windows**<br>Includes “Site Developers” set of agent development tools License. Runtime License is separate and needs to be selected from Section 2.1.1.3. | **NDT-2552** | $13,000 |

#### 2.1.1.2 Support Contracts for Professional SNMP Agent Studio Products for Windows

| Product / Description | Product ID | Sales Price (US$) |
|---|---|---|
| **Support Contract offers one year of product maintenance updates plus 10 support incidents** | | |
| Support for C++ Professional SNMP Agent Studio for Windows | **NDT-255x-SC** | 25% of NDT-255x |
| Support for SNMP Agent Source Code & Unlimited Runtime SDK | **NDT-2385-SC** | $4,000 |
| Support for DLL/remote/standalone SNMPv3 Agent Runtime SDK | **NDT-238x-SC**<br>**NDT-2383-SC** | 25% of NDT-238x<br>$3,000 |
| Support for DLL/remote/standalone Agent Runtime SDK | **NDT-239x-SC**<br>**NDT-2393-SC** | 25% of NDT-239x<br>$1,200 |

The current license owners of SNMP Agent Studio for Windows receive free Visual xAgentBuilder for C++, SNMP Agent code generator for other OS/RTOS targets, with the purchase of runtime license for a new target environment.

### 2.1.1.3 Source Code & Runtime Options for Professional SNMP Agent Studio for Windows

| Product / Description | Product ID | Sales Price (US$) |
|---|---|---|
| **Source Code & PC Runtime License options for extension DLL, Remote AgentX subagents or standalone SNMPv3, includes SNMPv3 Agent Configuration Editor. Provides for any number of subagents in a Licensed number of PCs.** | | |
| **Source Code & Runtime Licenses – SNMP option** | | |
| 5 extension DLL/remote/standalone SNMPv3 Agent Runtime Licenses | **NDT-2388** | $275 |
| 25 extension DLL/remote/standalone SNMPv3 Agent Runtime Licenses | **NDT-2380** | $620 |
| 100 extension DLL/remote/standalone SNMPv3 Agent Runtime Licenses | **NDT-2381** | $1,490 |
| 500 extension DLL/remote/standalone SNMPv3 Agent Runtime Licenses | **NDT-2382** | $5,200 |
| Unlimited Runtime License for DLL/remote/standalone SNMPv3 Agent for single specific functionality Product Line | **NDT-2383** | $13,000 |
| SNMP Source Code License – add-on to Windows SNMP Agent Unlimited Runtime License | **NDT-2385** | $17,000 |

## 2.1.2 NuDesign SNMP Agent Studio for Windows

### 2.1.2.1 Development Tools License for SNMP Agent Studio for Windows

| Product / Description | Product ID | Sales Price (US$) |
|---|---|---|
| **NuDesign SNMP Agent Studio for Windows Development License consists of:**<br>• **Visual xAgentBuilder for C++: Visual Studio integrated, C++ code generation wizard for standalone SNMPv1/v2c/v3 Windows Agents, Extension subagent DLLs or Remote AgentX subagents.**<br>• **Distributable SNMPv3 Agent Configuration Editor.**<br>• **SDK for Multiprotocol SNMP Agent for Windows, contains SNMPv1/v2c/v3 Windows C++ libraries.** | | |
| **Single Developer License for NuDesign SNMP Agent Studio for Windows**<br>Includes 1 set of agent development tools License. Runtime License is separate and needs to be selected from Section 2.1.2.3. | **NDT-2360** | $3,200 |
| **3 Developers License for NuDesign SNMP Agent Studio for Windows**<br>Includes 3 sets of agent development tools License. Runtime License is separate and needs to be selected from Section 2.1.2.3. | **NDT-2361** | $5,700 |
| **Site Developers License for NuDesign SNMP Agent Studio for Windows**<br>Includes "Site Developers" set of agent development tools License. Runtime License is separate and needs to be selected from Section 2.1.2.3. | **NDT-2362** | $8,700 |

### 2.1.2.2 Support Contracts for SNMP Agent Studio Products for Windows

| Product / Description | Product ID | Sales Price (US$) |
|---|---|---|
| **Support Contract offers one year of product maintenance updates plus 10 support incidents** | | |
| Support for SNMP Agent Studio for Windows | **NDT-236x-SC** | 25% of NDT-236x |
| Support for SNMP Agent Source Code & Unlimited Runtime SDK | **NDT-2385-SC** | $4,000 |
| Support for DLL/remote/standalone SNMPv3 Agent Runtime SDK | **NDT-238x-SC**<br>**NDT-2383-SC** | 25% of NDT-238x<br>$3,000 |

The current license owners of SNMP Agent Studio for Windows receive free Visual xAgentBuilder for C++, SNMP Agent code generator for other OS/RTOS targets, with the purchase of runtime license for a new target environment.

### 2.1.2.3 Source Code & Runtime Options for SNMP Agent Studio for Windows

| Product / Description | Product ID | Sales Price (US$) |
|---|---|---|
| **Source Code & PC Runtime License options for extension DLL, Remote AgentX subagents or standalone SNMPv3, includes SNMPv3 Agent Configuration Editor. Provides for any number of subagents in a Licensed number of PCs.** | | |
| **Source Code & Runtime Licenses – SNMP option** | | |
| 5 extension DLL/remote/standalone SNMPv3 Agent Runtime Licenses | **NDT-2388** | $275 |
| 25 extension DLL/remote/standalone SNMPv3 Agent Runtime Licenses | **NDT-2380** | $620 |
| 100 extension DLL/remote/standalone SNMPv3 Agent Runtime Licenses | **NDT-2381** | $1,490 |
| 500 extension DLL/remote/standalone SNMPv3 Agent Runtime Licenses | **NDT-2382** | $5,200 |
| Unlimited Runtime License for DLL/remote/standalone SNMPv3 Agent for single, specific functionality Product Line | **NDT-2383** | $13,000 |
| SNMP Source Code License – add-on to Windows SNMP Agent Unlimited Runtime License | **NDT-2385** | $17,000 |

## 2.1.3 NuDesign SNMPv3 Agent Service for Windows

### 2.1.3.1 Runtime Options for SNMPv3 Agent Service for Windows

| Product / Description | Product ID | Sales Price (US$) |
|---|---|---|
| **Runtime License options of NuDesign SNMPv1/v2c/v3 Agent Service for Windows - seamless replacement of Microsoft SNMPv1/v2 Agent Service. Multithreaded, dynamic loading / unloading of extension DLLs. Includes distributable SNMPv3 Agent Configuration Editor. Supports MS SNMP Extension DLL API & Remote AgentX standard.** | | |
| 5 NuDesign SNMPv3 Agent Service for Windows Runtime License | **NDT-2111** | $325 |
| 25 NuDesign SNMPv3 Agent Service for Windows Runtime License | **NDT-2100** | $840 |
| 100 NuDesign SNMPv3 Agent Service for Windows Runtime License | **NDT-2101** | $1,740 |
| 500 NuDesign SNMPv3 Agent Service for Windows Runtime License | **NDT-2102** | $6,600 |

### 2.1.3.2 Support Contracts for SNMPv3 Agent Service for Windows

| Product / Description | Product ID | Sales Price (US$) |
|---|---|---|
| **Support Contract offers one year of product maintenance updates plus 10 support incidents.** | | |
| Support for SNMPv3 Agent Service Runtime for Windows | **NDT-21xx-SC** | 25% of NDT-21xx |

## 2.2 SNMP Manager Development Studios for Windows

### 2.2.1 NuDesign SNMP Manager Studio for Windows

#### 2.2.1.1 Development Tools License for SNMP Manager Studio for Windows

| Product / Description | Product ID | Sales Price (US$) |
|---|---|---|
| **NuDesign SNMP Manager Studio for Windows Development License provides complete SNMPv3 Manager framework and consists of:**<br>• **Visual xManagerBuilder for C++, a code generation wizard for Windows. It generates Manager Application Project for Visual Studio.**<br>• **SNMPv1/v2c/v3 C++ Management Libraries for multithreaded SNMP Manager Application for Windows. Supports Send / Receive Traps and Informs functions.**<br>• **Sample code in C++ demonstrating typical management functions, such as Get Table, MIB Browser, SNMP Polling Engine, Trap handling and others.**<br>• **SNMPv1/v2c/v3 Manager Configuration Editor.** | | |
| **Single Developers License for NuDesign SNMP Manager Studio for Windows**<br>Includes 1 set of manager development tools License. Source Code & Runtime License is separate and needs to be selected from Section 2.2.1.3. | **NDT-6600** | $3,200 |
| **3 Developers License for NuDesign C++ SNMP Manager Studio for Windows**<br>Includes 3 set of manager development tools License. Source Code & Runtime License is separate and needs to be selected from Section 2.2.1.3. | **NDT-6601** | $5,700 |
| **Site Developers License for NuDesign C++ SNMP Manager Studio for Windows**<br>Includes “Site Developers” set of manager development tools License. Source Code & Runtime License is separate and needs to be selected from Section 2.2.1.3. | **NDT-6602** | $8,700 |

#### 2.2.1.2 Support Contracts for SNMP Manager Studio for Windows

| Product / Description | Product ID | Sales Price (US$) |
|---|---|---|
| **Support Contract offers one year of product maintenance updates plus 10 support incidents** | | |
| Support for SNMP Manager Studio for Windows | **NDT-660x-SC** | 25% of NDT-660x |
| Support for SNMPv1/v2c/v3 Manager Source & Unlimited Runtime SDK | **NDT-6735-SC** | $4,000 |
| Support for SNMPv1/v2c/v3 Manager Runtime SDK | **NDT-673x-SC**<br>**NDT-6733-SC** | 25% of NDT-673x<br>$3,000 |

### 2.2.1.3 Source Code & Runtime Licenses for SNMP Manager Studio for Windows

| Product / Description | Product ID | Sales Price (US$) |
|---|---|---|
| **Source Code & Runtime License Options for SNMP Manager Studio for Windows for use in single, specific functionality Product Line.** | | |
| 5 Runtime License | **NDT-6739** | $275 |
| 25 Runtime License | **NDT-6730** | $620 |
| 100 Runtime License | **NDT-6731** | $1,490 |
| 500 Runtime License | **NDT-6732** | $5,200 |
| Unlimited Runtime License for SNMPv1/v2c/v3 Manager for single, specific functionality Product Line | **NDT-6733** | $13,000 |
| SNMPv1/v2c/v3 C++ Management Libraries Source Code License – add-on to SNMPv1/v2c/v3 Manager Unlimited Runtime License | **NDT-6735** | $17,000 |

# 3 Development Studios, Applications & Runtimes for Linux & Embedded Systems

## 3.1 ndCONF Agent Development Studio - YANG based Agent with NETCONF, CLI, optionally RESTCONF and SNMP Access for Linux & Embedded Systems

Please contact NuDesign directly for quotation and licensing information with regards to ndCONF Agent Studio Development Products:

- extensible YANG Datastore Server
- ndCONF Builder (YANG-based Server Extension's code generator)
- NETCONF, RESTCONF, CLI and SNMPv3 Access Agents
- NETCONF / RESTCONF Test Clients
- embedded SDKs and various development utilities

## 3.2 SNMP Agent Development Studios for Linux & Embedded

### 3.2.1 NuDesign SNMP Agent Studio for Linux

#### 3.2.1.1 Development Tools License for SNMP Agent Studio for Linux

| Product / Description | Product ID | Sales Price (US$) |
|---|---|---|
| **NuDesign SNMP Agent Studio for Linux Development License consists of:**<br>• **Visual Embedded xAgentBuilder for C++, PC Linux Edition: Windows hosted (or Command Line for Linux Host), C++ code generation wizard for standalone SNMPv3 Linux Agents, dynamically loadable extension DLL's and/or Remote AgentX subagents. It generates agent projects for Linux development environment (GNU Make, KDevelop).**<br>• **Windows hosted SNMPv3 Agent Configuration Editor.**<br>• **SDK for Multiprotocol SNMP Agent for Linux, contains SNMPv1/v2c/v3 Linux C++ libraries. The MIB II and Host Resources MIB implementations are included.** | | |
| **Single Developer License for NuDesign C++ SNMP Agent Studio for Desktop Linux**<br>Includes 1 set of agent development tools license. Runtime License is separate and needs to be selected from Section 3.1.1.3. | **NDT-3600** | $3,200 |
| **3 Developers License for NuDesign C++ SNMP Agent Studio for Linux**<br>Includes 3 sets of agent development tools license. Runtime License is separate and needs to be selected from Section 3.1.1.3. | **NDT-3601** | $5,700 |
| **Site Developers License for NuDesign C++ SNMP Agent Studio for Linux**<br>Includes "Site Developers" set of agent development tools license. Runtime License is separate & needs to be selected from Section 3.1.1.3. | **NDT-3602** | $8,700 |

#### 3.2.1.2 Support Contract for SNMP Agent Studio Products for Linux

| Product / Description | Product ID | Sales Price (US$) |
|---|---|---|
| **Support Contract offers one year of product maintenance updates plus 10 support incidents** | | |
| Support for C++ SNMP Agent Studio for Linux | **NDT-360x-SC** | 25% of NDT-360x |
| Support for SNMP Agent Source Code & Unlimited Runtime SDK | **NDT-3385-SC** | $4,000 |
| Support for extension DLL/remote/standalone SNMPv3 Agent Runtime SDK | **NDT-338x-SC**<br>**NDT-3383-SC** | 25% of NDT-338x<br>$3,000 |

The current license owners of SNMP Agent Studio for Linux receive free Visual xAgentBuilder for C++, SNMP Agent code generator for other OS/RTOS targets, with the purchase of runtime license for a new target environment.

### 3.2.1.3 Source Code & Runtime Options for SNMP Agent Studio for Linux

| Product / Description | Product ID | Sales Price (US$) |
|---|---|---|
| **Source Code & PC Runtime License options for SNMPv3 Linux Agent and SNMPv3 Agent Configuration Editor. Includes MIB II and Host Resources MIB implementations. Provides for any number of subagents in a Licensed number of PCs.** | | |
| **Source Code & Runtime Licenses – SNMP option** | | |
| 5 extension DLL/remote/standalone SNMPv3 Agent Runtime Licenses | **NDT-3388** | $275 |
| 25 extension DLL/remote/standalone SNMPv3 Agent Runtime Licenses | **NDT-3380** | $620 |
| 100 extension DLL/remote/standalone SNMPv3 Agent Runtime Licenses | **NDT-3381** | $1,490 |
| 500 extension DLL/remote/standalone SNMPv3 Agent Runtime Licenses | **NDT-3382** | $5,200 |
| Unlimited Runtime License for DLL/remote/standalone SNMPv3 Agent for single, specific functionality Product Line | **NDT-3383** | $13,000 |
| SNMP Source Code License – add-on to Linux SNMP Agent Unlimited Runtime License | **NDT-3385** | $17,000 |

## 3.2.2 NuDesign SNMPv3 Agent Service for Linux Servers (SNMPv3 daemon)

### 3.2.2.1 Runtime Options for SNMPv3 Agent Service for Linux Servers

| Product / Description | Product ID | Sales Price (US$) |
|---|---|---|
| **Runtime License options of NuDesign SNMPv1/v2c/v3 Agent Service for Linux. Multithreaded, supports dynamic loading / unloading of extension DLLs. Supports SNMP extension DLL API & Remote AgentX standard. The MIB II and Host Resources MIB implementations are included.** | | |
| 5 NuDesign SNMPv3 Agent Service for Linux Runtime License | **NDT-3111** | $325 |
| 25 NuDesign SNMPv3 Agent Service for Linux Runtime License | **NDT-3100** | $840 |
| 100 NuDesign SNMPv3 Agent Service for Linux Runtime License | **NDT-3101** | $1,740 |
| 500 NuDesign SNMPv3 Agent Service for Linux Runtime License | **NDT-3102** | $6,600 |

### 3.2.2.2 Support Contracts for SNMPv3 Agent Service for Linux Servers

| Product / Description | Product ID | Sales Price (US$) |
|---|---|---|
| **Support Contract offers one year of product maintenance updates plus 10 support incidents.** | | |
| Support for SNMPv3 Agent Service Runtime for Linux | **NDT-31xx-SC** | 25% of NDT-31xx |

***** please contact us for large volume Enterprise pricing

phone: 1 416 737 0328

toll-free: 1 866 886 7667

email: contact@ndt-inc.com

## 3.2.3 NuDesign SNMP Agent Studio for Embedded Linux & RTOS

### 3.2.3.1 Development Tools License for SNMP Agent Studio for Embedded Linux & RTOS

| Product / Description | Product ID | Sales Price (US$) |
|---|---|---|
| **The NuDesign SNMP Agent Studio for Embedded Linux & RTOS (with optional HTTP access) Development License consists of:**<br>• **Visual Embedded xAgentBuilder for C++, Embedded Linux & RTOS Edition: Windows hosted, C++ code generation wizard (or Command Line for Linux Host) for embedded SNMPv1/v2c/v3 Agents, standalone or Master Agent and dynamically loadable extension and/or Remote AgentX subagents are supported (with optional HTTP access to MIB instrumentation). It generates complete agent project for Embedded Linux & RTOS and its development environment.**<br>• **Windows hosted SNMPv3/HTTP Agent Configuration Editor.**<br>• **SDK for Multiprotocol SNMP Agent for Embedded Linux & RTOS, contains SNMPv1/v2c/v3 and HTTP C++ libraries for specific embedded environment.** | | |
| **Single Developers License for NuDesign SNMP Agent Studio for Embedded Linux & RTOS**<br>Includes 1 set of agent development tools License. Source Code & Runtime License is separate and needs to be selected from Section 3.1.2.3. | **NDT-4300** | $3,200 |
| **3 Developers License for NuDesign SNMP Agent Studio for Embedded Linux & RTOS**<br>Includes 3 set of agent development tools License. Source Code & Runtime License is separate and needs to be selected from Section 3.1.2.3. | **NDT-4301** | $5,700 |
| **Site Developers License for NuDesign SNMP Agent Studio for Embedded Linux & RTOS**<br>Includes “Site Developers” set of agent development tools License. Source Code & Runtime License is separate and needs to be selected from Section 3.1.2.3. | **NDT-4302** | $8,700 |

### 3.2.3.2 Support Contracts for SNMP Agent Studio Products for Embedded Linux & RTOS

| Product / Description | Product ID | Sales Price (US$) |
|---|---|---|
| **Support Contract offers one year of product maintenance updates plus 10 support incidents** | | |
| Support for SNMP Agent Studio for Embedded Linux & RTOS | **NDT-43xx-SC** | 25% of NDT-430x |
| Support for SNMPv1/v2c/v3 Agent Source Code & Unlimited Runtime SDK | **NDT-4430-SC** | $4,000 |
| Support for SNMPv1/v2c/v3 Agent Unlimited Runtime SDK | **NDT-4433-SC** | $3,000 |
| Support for SNMPv1/v2c Agent Source Code & Unlimited Runtime SDK | **NDT-4420-SC** | $2,000 |
| Support for SNMPv1/v2c Agent Unlimited Runtime SDK | **NDT-4423-SC** | $1,500 |
| Support for HTTP Agent Source Code & Unlimited Runtime SDK | **NDT-4440-SC** | $1,500 |
| Support for HTTP Agent Unlimited Runtime SDK | **NDT-4443-SC** | $1,200 |

The current license owners of SNMP Agent Studio for Embedded Linux & RTOS receive free Visual xAgentBuilder for C++, SNMP Agent code generator for other OS/RTOS targets, with the purchase of runtime license for a new target environment.

### 3.2.3.3 Source Code & Runtime Licenses for SNMP Agent Studio for Embedded Linux & RTOS

| Product / Description | Product ID | Sales Price (US$) |
|---|---|---|
| **Source Code & Runtime License Options for Embedded SNMPv3 / SNMPv1/v2 & HTTP Agent for use in single, specific functionality Embedded Product Line.** | | |
| **Single Embedded Product License – SNMPv1/v2c/v3 options** | | |
| Source Code & Unlimited Runtime License for Embedded SNMPv3 Agent for single, specific functionality Product Line. | **NDT-4430** | $26,000 |
| Unlimited Runtime License for Embedded SNMPv1/v2c/v3 Agent for single, specific functionality Product Line. | **NDT-4433** | $15,000 |
| SNMPv1/v2c/v3 Source Code License – add-on to Embedded SNMPv1/v2c/v3 Agent Unlimited Runtime License (NDT-4433) | **NDT-4434** | $15,000 |
| **Single Embedded Product License – SNMPv1/v2c options** | | |
| Source Code & Unlimited Runtime License for Embedded SNMPv1/v2c Agent for single, specific functionality Product Line. | **NDT-4420** | $14,000 |
| Unlimited Runtime License for Embedded SNMPv1/v2c Agent for single, specific functionality Product Line. | **NDT-4423** | $8,000 |
| SNMPv1/v2c Source Code License – add-on to Embedded SNMPv1/v2c Agent Unlimited Runtime License (NDT-4423) | **NDT-4424** | $8,000 |
| **Single Embedded Product License – HTTP options** | | |
| Source Code & Unlimited Runtime License for Embedded HTTP Agent for single, specific functionality Product Line. | **NDT-4440** | $10,000 |
| Unlimited Runtime License for Embedded HTTP Agent for single, specific functionality Product Line. | **NDT-4443** | $8,000 |
| HTTP Agent Source Code License – add-on to Embedded HTTP Agent Unlimited Runtime License (NDT-4443) | **NDT-4444** | $3,500 |

**Notes:**

The source code license along with Visual xAgentBuilder for C++, Embedded Linux & RTOS Edition tool include complete sources to build SNMPv1/v2c or SNMPv1/v2c/v3 and HTTP agents for embedded environments. The major source code components are: SNMPv1/v2c or SNMPv1/v2c/v3 protocol stacks, MIB II code, MIB Handler, HTTP Server Plug-in, Open SSL Crypto as needed, interface to non-volatile storage and others.

Supported are: QNX Neutrino®, Embedded Linux and generic Linux distributions.

Please call for update on the embedded environment of interest to your program.

## 3.3 CLI Development Studios for Embedded Linux & RTOS Systems

### 3.3.1 NuDesign Hierarchical CLI Builder Studio for Embedded Linux & RTOS

#### 3.3.1.1 Development License for CLI Builder Studio for Embedded Linux & RTOS

| Product / Description | Product ID | Sales Price (US$) |
|---|---|---|
| **NuDesign CLI Builder Studio for Embedded Linux & RTOS Development License consists of:**<br>• **Visual Embedded xCLI Builder for C++, the Java VM hosted, visual builder & C++ code generation wizard for embedded Command Line Interface. It generates complete hierarchical CLI application project for Embedded Linux & RTOS and its development environment.**<br>• **SDK for CLI Application for Embedded Linux & RTOS, contains CLI C++ libraries for specific embedded environment.** | | |
| **Single Developers License for NuDesign CLI Builder Studio for Embedded Linux & RTOS**<br>Includes 1 set of CLI Application development tools License. Source Code & Runtime License is separate and needs to be selected from Section 3.2.1.3. | **NDT-4700** | $2,000 |
| **3 Developers License for NuDesign CLI Builder Studio for Embedded Linux & RTOS**<br>Includes 3 set of CLI Application development tools License. Source Code & Runtime License is separate and needs to be selected from Section 3.2.1.3. | **NDT-4701** | $3,600 |
| **Site Developers License for NuDesign CLI Builder Studio for Embedded Linux & RTOS**<br>Includes “Site Developers” set of CLI Application development tools License. Source Code & Runtime License is separate and needs to be selected from Section 3.2.1.3. | **NDT-4702** | $5,600 |

#### 3.3.1.2 Support Contracts for CLI Builder Studio for Embedded Linux & RTOS

| Product / Description | Product ID | Sales Price (US$) |
|---|---|---|
| **Support Contract offers one year of product maintenance updates plus 10 support incidents** | | |
| Support for C++ CLI Builder Studio for Embedded Linux & RTOS | **NDT-47xx-SC** | 25% of NDT-470x |
| Support for CLI Application Source Code & Unlimited Runtime SDK | **NDT-4830-SC** | $3,000 |
| Support for CLI Application Unlimited Runtime SDK | **NDT-4833-SC** | $2,000 |

### 3.3.1.3 Source Code & Runtime Licenses for CLI Builder Studio for Embedded Linux & RTOS

| Product / Description | Product ID | Sales Price (US$) |
|---|---|---|
| **Source Code & Runtime License Options for Embedded CLI Application for use in single, specific functionality Embedded Product Line.** | | |
| Source Code & Unlimited Runtime License for Embedded CLI Application for single, specific functionality Product Line. | **NDT-4830** | $19,000 |
| Unlimited Runtime License for Embedded CLI Application for single, specific functionality Product Line. | **NDT-4833** | $14,000 |
| CLI Source Code License – add-on to Embedded CLI Application Unlimited Runtime License (NDT-4833) | **NDT-4834** | $9,000 |

# 3.4 SNMP Manager Development Studios for Embedded Linux & RTOS

## 3.4.1 NuDesign SNMP Manager Studio for Embedded Linux & RTOS

### 3.4.1.1 Development Tools License for SNMP Manager Studio for Embedded Linux & RTOS

| Product / Description | Product ID | Sales Price (US$) |
|---|---|---|
| **NuDesign SNMP Manager Studio for Embedded Linux & RTOS Development License provides complete SNMPv3 Manager framework and consists of:**<br>• **Visual Embedded xManager Builder for C++, a code generation wizard for Embedded Linux & RTOS. Windows hosted, it generates Manager Application Project for Embedded Linux & RTOS development environment.**<br>• **SNMPv1/v2c/v3 C++ Management Library for multithreaded SNMP Manager Application for Embedded Linux & RTOS. Supports Send / Receive Traps and Informs functions.**<br>• **Sample code in C++ demonstrating typical management functions, such as Get Table, MIB Browser, SNMP Polling Engine, Trap handling and others.**<br>• **Windows hosted SNMPv1/v2c/v3 Manager Configuration Editor.** | | |
| **Single Developer License for NuDesign SNMP Manager Studio for Embedded Linux & RTOS**<br>Includes 1 set of manager development tools License. Source Code & Runtime License is separate and needs to be selected from Section 3.4.1.3. | **NDT-6300** | $3,200 |
| **3 Developers License for NuDesign SNMP Manager Studio for Embedded Linux & RTOS**<br>Includes 3 set of manager development tools License. Source Code & Runtime License is separate and needs to be selected from Section 3.4.1.3. | **NDT-6301** | $5,700 |
| **Site Developers License for NuDesign SNMP Manager Studio for Embedded Linux & RTOS**<br>Includes “Site Developers” set of manager development tools License. Source Code & Runtime License is separate and needs to be selected from Section 3.4.1.3. | **NDT-6302** | $8,700 |

### 3.4.1.2 Support Contracts for SNMP Manager Studio for Embedded Linux & RTOS

| Product / Description | Product ID | Sales Price (US$) |
|---|---|---|
| **Support Contract offers one year of product maintenance updates plus 10 support incidents** | | |
| Support for C++ SNMP Manager Studio for Embedded Linux & RTOS | **NDT-630x-SC** | 25% of NDT-630x |
| Support for SNMPv1/v2c/v3 Manager Source Code & Unlimited Runtime SDK | **NDT-6430-SC** | $4,000 |
| Support for SNMPv1/v2c/v3 Manager Unlimited Runtime SDK | **NDT-6433-SC** | $3,000 |

### 3.4.1.3 Source Code & Runtime License for SNMP Manager Studio for Embedded Linux & RTOS

| Product / Description | Product ID | Sales Price (US$) |
|---|---|---|
| **Source Code & Runtime License Options for SNMP Manager Studio for Embedded Linux & RTOS for use in single, specific functionality Embedded Product Line.** | | |
| Source Code & Unlimited Runtime License for Embedded SNMPv3 Manager for single, specific functionality Product Line. | **NDT-6430** | $26,000 |
| Unlimited Runtime License for Embedded SNMPv1/v2c/v3 Manager for single, specific functionality Product Line. | **NDT-6433** | $15,000 |
| SNMPv1/v2c/v3 Source Code License – add-on to Embedded SNMPv1/v2c/v3 Manager Unlimited Runtime License (NDT-6433) | **NDT-6434** | $15,000 |

## 3.4.2 NuDesign SNMP MIB Compiler C++ Library for Linux

### 3.4.2.1 Development License for SNMP MIB Compiler C++ Library for Linux

| Product / Description | Product ID | Sales Price (US$) |
|---|---|---|
| **Development seat for SNMP MIB Compiler C++ Library for Linux** | | |
| **Single Developer License for NuDesign SNMP MIB Compiler C++ Library for Linux**<br>Includes 1 set of manager development tools License. Source Code & Runtime License is separate and needs to be selected from Section 3.3.2.3. | **NDT-6900** | $2,500 |
| **3 Developers License for NuDesign SNMP MIB Compiler C++ Library for Linux**<br>Includes 3 set of manager development tools License. Source Code & Runtime License is separate and needs to be selected from Section 3.3.2.3. | **NDT-6901** | $5,500 |
| **Site Developers License for NuDesign SNMP MIB Compiler C++ Library for Linux**<br>Includes “Site Developers” set of manager development tools License. Source Code & Runtime License is separate and needs to be selected from Section 3.3.2.3. | **NDT-6902** | $8,500 |

### 3.4.2.2 Support Contracts for SNMP MIB Compiler C++ Library for Linux

| Product / Description | Product ID | Sales Price (US$) |
|---|---|---|
| **Support Contract offers one year of product maintenance updates plus 10 support incidents** | | |
| Support for Development Seat for SNMP MIB Compiler C++ Library | **NDT-690x-SC** | 25% of NDT-690x |
| Support for SNMP MIB Compiler C++ Library Source Code & Unlimited Runtime SDK | **NDT-6930-SC** | $2,000 |
| Support for SNMP MIB Compiler C++ Library Unlimited Runtime SDK | **NDT-6933-SC** | $1,500 |

### 3.4.2.3 Source Code & Runtime License for SNMP MIB Compiler C++ Library for Linux

| Product / Description | Product ID | Sales Price (US$) |
|---|---|---|
| **Source Code & Runtime License Options for NuDesign SNMP MIB Compiler C++ Library for Linux for use in single, specific functionality Embedded Product Line.** | | |
| Source Code & Unlimited Runtime License for MIB Compiler C++ Library for single, specific functionality Product Line. | **NDT-6930** | $14,000 |
| Unlimited Runtime License for MIB Compiler C++ Library for single, specific functionality Product Line. | **NDT-6933** | $9,000 |
| SNMP MIB Compiler C++ Library Source Code License – add-on to Unlimited Runtime License (NDT-6933) | **NDT-6934** | $8,000 |

# 4 SNMP Applications for Developers

## 4.1 Visual MIBrowser Pro (includes SNMP Traffic Monitor functionality) & Visual MIBuilder for Windows

### 4.1.1 User Licenses for SNMP Developer's Applications

| Product / Description | Product ID | Sales Price (US$) |
|---|---|---|
| **Visual MIBrowser Professional** | | |
| single user license | **NDT-2060** | $600 |
| 3 users license | **NDT-2061** | $1,600 |
| site users license | **NDT-2062** | $5,800 |
| | | |
| **Visual MIBuilder** | | |
| single user license | **NDT-2020** | $900 |
| 3 users license | **NDT-2021** | $2,500 |
| site users license | **NDT-2022** | $4,400 |
| | | |
| **SNMP Pro Applications Bundle (Visual MIBrowser Pro & Visual MIBuilder)** | | |
| single user license | **NDT-2080** | $1,250 |
| 3 users license | **NDT-2081** | $3,550 |
| site users license | **NDT-2082** | $9,500 |

### 4.1.2 Support Contracts for SNMP Developer's Applications

| Product / Description | Product ID | Sales Price (US$) |
|---|---|---|
| **Support Contract offers one year of product maintenance updates plus 10 support incidents** | | |
| Visual MIBrowser Professional | **NDT-206x-SC** | 25% of NDT-206x |
| Visual MIBuilder | **NDT-202x-SC** | 25% of NDT-202x |
| SNMP Pro Applications Bundle (Visual MIBrowser Pro & Visual MIBuilder) | **NDT-208x-SC** | 25% of NDT-208x |

# 5 SNMP Applications for OEM and End User

## 5.1 Visual MIBrowser Pro for Windows (includes SNMP Traffic Monitor functionality)

### 5.1.1 User Licenses for Visual MIBrowser Pro

| Product / Description | Product ID | Sales Price (US$) |
|---|---|---|
| **Visual MIBrowser Professional** | | |
| single user license | **NDT-2060** | $600 |
| 3 users license | **NDT-2061** | $1,600 |
| site users license | **NDT-2062** | $5,800 |

### 5.1.2 Support Contracts for Visual MIBrowser Pro

| Product / Description | Product ID | Sales Price (US$) |
|---|---|---|
| **Support Contract offers one year of product maintenance updates plus 10 support incidents** | | |
| Visual MIBrowser Professional | **NDT-206x-SC** | 25% of NDT-206x |

## 5.2 NuDesign SNMPv3 Agent Service for Windows

### 5.2.1 Runtime Options for SNMPv3 Agent Service for Windows

| Product / Description | Product ID | Sales Price (US$) |
|---|---|---|
| **Runtime License options of NuDesign SNMPv1/v2c/v3 Agent Service for Windows - seamless replacement of Microsoft SNMPv1/v2 Agent Service. Multithreaded, dynamic loading / unloading of extension DLLs. Includes distributable SNMPv3 Agent Configuration Editor. Supports SNMP Extension DLL API & Remote AgentX standard.** | | |
| 5 NuDesign SNMPv3 Agent Service for Windows Runtime License | **NDT-2111** | $325 |
| 25 NuDesign SNMPv3 Agent Service for Windows Runtime License | **NDT-2100** | $840 |
| 100 NuDesign SNMPv3 Agent Service for Windows Runtime License | **NDT-2101** | $1,740 |
| 500 NuDesign SNMPv3 Agent Service for Windows Runtime License | **NDT-2102** | $6,600 |

***** please contact us for large volume Enterprise pricing

### 5.2.2 Support Contracts for SNMPv3 Agent Service for Windows

| Product / Description | Product ID | Sales Price (US$) |
|---|---|---|
| **Support Contract offers one year of product maintenance updates plus 10 support incidents.** | | |
| Support for SNMPv3 Agent Service Runtime for Windows | **NDT-21xx-SC** | 25% of NDT-21xx |

## 5.3 NuDesign SNMPv3 Agent Service for Linux Servers (SNMPv3 daemon)

### 5.3.1 Runtime Options for SNMPv3 Agent Service for Linux Servers

| Product / Description | Product ID | Sales Price (US$) |
|---|---|---|
| **Runtime License options of NuDesign SNMPv1/v2c/v3 Agent Service for Linux. Multithreaded, supports dynamic loading / unloading of extension DLLs. Supports SNMP extension DLL API & Remote AgentX standard. The MIB II and Host Resources MIB subagents are included.** | | |
| 5 NuDesign SNMPv3 Agent Service for Linux Runtime License | **NDT-3111** | $325 |
| 25 NuDesign SNMPv3 Agent Service for Linux Runtime License | **NDT-3100** | $840 |
| 100 NuDesign SNMPv3 Agent Service for Linux Runtime License | **NDT-3101** | $1,740 |
| 500 NuDesign SNMPv3 Agent Service for Linux Runtime License | **NDT-3102** | $6,600 |

***** please contact us for large volume Enterprise pricing

### 5.3.2 Support Contracts for SNMPv3 Agent Service for Linux Servers

| Product / Description | Product ID | Sales Price (US$) |
|---|---|---|
| **Support Contract offers one year of product maintenance updates plus 10 support incidents.** | | |
| Support for SNMPv3 Agent Service Runtime for Linux | **NDT-31xx-SC** | 25% of NDT-31xx |

# 6 Extended Support Contracts

| Product / Description | Product ID | Sales Price (US$) |
|---|---|---|
| Prepaid up to 5 hours design consulting services | **NDT-5000** | $700 |
| Prepaid up to 10 hours design consulting services | **NDT-5001** | $1,300 |
| Four months extended support contract. Guaranteed next day response time. Ten hours per month limit. Non cumulative. | **NDT-5005** | $5,000 |
| Four months extended support contract. Guaranteed next day response time. Twenty hours per month limit. Non cumulative. | **NDT-5006** | $8,800 |
| One year extended support contract. Guaranteed next day response time. Ten hours per month limit. Non cumulative. | **NDT-5015** | $13,200 |
| One year extended support contract. Guaranteed next day response time. Twenty hours per month limit. Non cumulative. | **NDT-5016** | $24,000 |
| User supplies compiling MIB, NuDesign ships Windows extension DLL source code & 25 DLL runtime license. | **NDT-5007** | $1,500 |
| Extended design consulting services tailored to the specific needs are available | | **please call** |

# 7 Agent Development Classes

## 7.1 SNMP Agent

| Product / Description | Product ID | Sales Price (US$) |
|---|---|---|
| **SNMP Agent Development Course covers:**<br>• **SNMP fundamentals.**<br>• **Working with NuDesign's Visual xAgentBuilder for C++, multiprotocol SNMP Agent code generator.**<br>• **Review of libraries - configuration, decomposition, directories, how to build, and build options.**<br>• **MIB instrumentation examples and strategies.** | | |
| Two full days course at NuDesign's Toronto facility, up to two people | **NDT-5500** | $2,500 |
| Each additional person, up to max 5 people per course | **NDT-5501** | $850 |

## 7.2 NETCONF / RESTCONF / YANG Agent

| Product / Description | Product ID | Sales Price (US$) |
|---|---|---|
| **NETCONF / RESTCONF / YANG Agent Development Course covers:**<br>• **NETCONF / RESTCONF / YANG fundamentals.**<br>• **Working with NuDesign's YANG Datastore Server Builder, code & support files generation.**<br>• **Review of libraries - configuration, decomposition, directories, how to build, and build options.**<br>• **YANG instrumentation examples and strategies.** | | |
| Two full days on-line course, up to two people | **NDT-5600** | $2,500 |
| Each additional person, up to max 5 people per course | **NDT-5601** | $850 |

# 8 Product Upgrade Pricing

| Product / Description | Product ID | Sales Price (US$) |
|---|---|---|
| **Major Upgrade Release** | | |
| upgrade to a new, major product release.<br>(Support Contract for Upgrades is 25% of product list price) | **NDT-xxxx-U**<br>(buying NDT-xxxx product as an Upgrade) | credit 50% of current License price toward upgraded product purchase if within 2 years of original purchase |
| **Development Tools / Support Contracts License Upgrade** | | |
| upgrade to higher volume Development Tools / Support Contracts License | **NDT-xxxx-LU**<br>(buying NDT-xxxx product as an License Upgrade) | credit 50% of current License price toward new product purchase if within 2 years of original purchase |

# 9 Product Shipping and Handling

| Delivery method | Price (US$) |
|---|---|
| By mail – all destinations | $50 |
| By courier – continental USA & Canada | $100 |
| By courier – other destinations | $150 |

# 10 Purchase

NuDesign accepts Purchase Orders for the products listed in this document. Additionally, a selection of products can be purchased via secure on-line NuDesign's BlueSnap store.

Purchase orders can be emailed to contact@ndt-inc.com.

Annual Support Contracts are recommended and can be purchased from NuDesign on request. The Annual Support Contracts include email and / or phone technical assistance and free maintenance software updates.

For any questions, please call (416) 737 0328 or toll-free (866) 886 7667 between 9 AM – 5 PM EST.
