1 License Terms Summary

- **'Single Developer License'** means that the licensed control or tool can be installed on a single development station for the purpose of developing a licensee's application.
- **'Site Developers License'** means that the licensed control or tool can be installed on any number of development stations for the purpose of developing a licensee's application. All development stations are confined to only one physical location of the licensee's company.
- The NuDesign software **'Runtime License'** number defines the maximum number of licensee's computers that have the licensed NuDesign software installed at any one time.
- The NuDesign application's **'User License'** number defines the maximum number of the licensed NuDesign application installed at any one time.
- The NuDesign application's **'Site Users License'** means that the licensed application can be installed on any number of the licensee's stations. All licensee stations are confined to only one physical location of the licensee's company.
- NuDesign's **'Single Embedded Product Source Code License'** means that the licensed source code can be applied to single specific functionality embedded product, pre-identified to use a specific CPU / Operating System pair that adopts that specific functionality.
- NuDesign's **'Single Embedded Product Royalty Free (Unlimited) Runtime License'** means that the licensed runtime can be applied to single specific functionality embedded product, pre-identified to use a specific CPU / Operating System pair that adopts that specific functionality.

2 Development Tools for Windows

2.1 SNMP Agent Development Tools with HTTP option for Windows

2.1.1 NuDesign Professional SNMP Agent Studio for Windows

2.1.1.1 Development Tools License for Professional SNMP Agent Studio for Windows

Product / Description	Product ID	Sales Price (US\$)
<p><u>NuDesign Professional SNMP Agent Studio for Windows (with optional HTTP access) Development License consists of:</u></p> <ul style="list-style-type: none"> • Visual xAgentBuilder for C++: Visual Studio integrated, C++ code generation wizard for standalone SNMPv1/v2c/v3 Windows Agents, Extension subagent DLLs or Remote AgentX subagents (with optional HTTP access to MIB instrumentation). • Distributable SNMPv3 / HTTP Agent Configuration Editor. • SDK for Multiprotocol SNMP Agent for Windows, contains SNMPv1/v2c/v3 and HTTP Windows C++ libraries. • Visual MIBuilder • Visual SNMP Traffic Monitor • Visual MIBrowser Professional 		
<p>Single Developer License for NuDesign Professional SNMP Agent Studio for Windows</p> <p>Includes 1 set of agent development tools License. Runtime License is separate and needs to be selected from Section 2.1.1.3.</p>	NDT-2550	\$4,200
<p>3 Developers License for NuDesign Professional SNMP Agent Studio for Windows</p> <p>Includes 3 sets of agent development tools License. Runtime License is separate and needs to be selected from Section 2.1.1.3.</p>	NDT-2551	\$7,800
<p>Site Developers License for NuDesign SNMP Agent Studio for Windows</p> <p>Includes "Site Developers" set of agent development tools License. Runtime License is separate and needs to be selected from Section 2.1.1.3.</p>	NDT-2552	\$12,800

2.1.1.2 Support Contracts for Professional SNMP Agent Studio Products for Windows

Product / Description	Product ID	Sales Price (US\$)
Support Contract offers one year of product maintenance updates plus 10 support incidents		
Support for C++ Professional SNMP Agent Studio for Windows	NDT-255x-SC	25% of NDT-255x
Support for SNMP Agent Source Code & Runtime SDK	NDT- 2385-SC	\$4,000
Support for standalone SNMPv3 Agent Runtime SDK	NDT-238x-SC NDT-2383-SC	25% of NDT-238x \$2,500
Support for HTTP Agent Source Code & Runtime SDK	NDT- 2395-SC	\$1,500
Support for standalone HTTP Agent Runtime SDK	NDT-239x-SC	25% of NDT-239x

The current license owners of SNMP Agent Studio for Windows receive free Visual xAgentBuilder for C++, SNMP Agent code generator for other OS/RTOS targets, with the purchase of runtime license for a new target environment.

2.1.1.3 Source Code & Runtime Options for Professional SNMP Agent Studio for Windows

Product / Description	Product ID	Sales Price (US\$)
Source Code & Runtime License options for extension DLL, Remote AgentX subagents or standalone SNMPv3 and/or HTTP Agent, include SNMPv3/HTTP Agent Configuration Editor.		
Source Code & Runtime Licenses – SNMP option		
25 extension DLL/remote/standalone SNMPv3 Agent Runtime Licenses	NDT-2380	\$500
100 extension DLL/remote/standalone SNMPv3 Agent Runtime Licenses	NDT-2381	\$1,200
500 extension DLL/remote/standalone SNMPv3 Agent Runtime Licenses	NDT-2382	\$4,300
Unlimited Runtime License for standalone SNMPv3 Agent for single, specific functionality product line	NDT-2383	\$13,000
SNMP Source Code License – add-on to Windows SNMP Agent Unlimited Runtime License	NDT- 2385	\$17,000
Source Code & Runtime Licenses – HTTP option		
25 extension DLL/remote/standalone HTTP Agent Runtime Licenses	NDT-2390	\$500
100 extension DLL/remote/standalone HTTP Agent Runtime Licenses	NDT-2391	\$1,000
500 extension DLL/remote/standalone HTTP Agent Runtime Licenses	NDT-2392	\$4,000
Unlimited Runtime License for standalone HTTP Agent for single, specific functionality product line	NDT-2393	\$8,000
HTTP Source Code License – add-on to Windows HTTP Agent Unlimited Runtime License	NDT- 2395	\$3,500

2.1.2 NuDesign SNMP Agent Studio for Windows

2.1.2.1 Development Tools License for SNMP Agent Studio for Windows

Product / Description	Product ID	Sales Price (US\$)
NuDesign SNMP Agent Studio for Windows (with optional HTTP access) Development License consists of: <ul style="list-style-type: none"> • Visual xAgentBuilder for C++: Visual Studio integrated, C++ code generation wizard for standalone SNMPv3 Windows Agents, Extension subagent DLLs or Remote AgentX subagents (with optional HTTP access to MIB instrumentation). • Distributable SNMPv3/HTTP Agent Configuration Editor. • SDK for Multiprotocol SNMP Agent for Windows, contains SNMPv1/v2c/v3 and HTTP Windows C++ libraries. 		
Single Developer License for NuDesign SNMP Agent Studio for Windows Includes 1 set of agent development tools License. Runtime License is separate and needs to be selected from Section 2.1.2.3.	NDT-2360	\$3,000
3 Developers License for NuDesign SNMP Agent Studio for Windows Includes 3 sets of agent development tools License. Runtime License is separate and needs to be selected from Section 2.1.2.3.	NDT-2361	\$5,500
Site Developers License for NuDesign SNMP Agent Studio for Windows Includes "Site Developers" set of agent development tools License. Runtime License is separate and needs to be selected from Section 2.1.2.3.	NDT-2362	\$8,500

2.1.2.2 Support Contracts for SNMP Agent Studio Products for Windows

Product / Description	Product ID	Sales Price (US\$)
Support Contract offers one year of product maintenance updates plus 10 support incidents		
Support for SNMP Agent Studio for Windows	NDT-236x-SC	25% of NDT-236x
Support for SNMP Agent Source Code & Runtime SDK	NDT- 2385-SC	\$4,000
Support for standalone SNMPv3 Agent Runtime SDK	NDT-238x-SC NDT-2383-SC	25% of NDT-238x \$2,500
Support for HTTP Agent Source Code & Runtime SDK	NDT- 2395-SC	\$1,500
Support for standalone HTTP Agent Runtime SDK	NDT-239x-SC	25% of NDT-239x

The current license owners of SNMP Agent Studio for Windows receive free Visual xAgentBuilder for C++, SNMP Agent code generator for other OS/RTOS targets, with the purchase of runtime license for a new target environment.

2.1.2.3 Source Code & Runtime Options for SNMP Agent Studio for Windows

Product / Description	Product ID	Sales Price (US\$)
Source Code & Runtime License options for extension DLL, or standalone SNMPv3 and/or HTTP Agent and SNMPv3/HTTP Agent Configuration Editor.		
Source Code & Runtime Licenses – SNMP option		
25 extension DLL/remote/standalone SNMPv3 Agent Runtime Licenses	NDT-2380	\$500
100 extension DLL/remote/standalone SNMPv3 Agent Runtime Licenses	NDT-2381	\$1,200
500 extension DLL/remote/standalone SNMPv3 Agent Runtime Licenses	NDT-2382	\$4,300
Unlimited Runtime License for standalone SNMPv3 Agent for single, specific functionality product line	NDT-2383	\$13,000
SNMP Source Code License – add-on to Windows SNMP Agent Unlimited Runtime License	NDT- 2385	\$17,000
Source Code & Runtime Licenses – HTTP option		
25 extension DLL/remote/standalone HTTP Agent Runtime Licenses	NDT-2390	\$500
100 extension DLL/remote/standalone HTTP Agent Runtime Licenses	NDT-2391	\$1,000
500 extension DLL/remote/standalone HTTP Agent Runtime Licenses	NDT-2392	\$4,000
Unlimited Runtime License for standalone HTTP Agent for single, specific functionality product line	NDT-2393	\$8,000
HTTP Source Code License – add-on to Windows HTTP Agent Unlimited Runtime License	NDT- 2395	\$3,500

2.1.3 NuDesign SNMPv3 Agent Service for Windows

2.1.3.1 Runtime Options for SNMPv3 Agent Service for Windows

Product / Description	Product ID	Sales Price (US\$)
Runtime License options of NuDesign SNMPv1/v2c/v3 Agent Service for Windows - seamless replacement of Microsoft SNMPv1/v2 Agent Service. Multithreaded, dynamic loading / unloading of extension DLLs. Includes distributable SNMPv3 Agent Configuration Editor. Supports MS SNMP Extension DLL API & Remote AgentX standard.		
1 NuDesign SNMPv3 Agent Service for Windows Runtime License	NDT-2110	\$95
25 NuDesign SNMPv3 Agent Service for Windows Runtime License	NDT-2100	\$650
100 NuDesign SNMPv3 Agent Service for Windows Runtime License	NDT-2101	\$1,400
500 NuDesign SNMPv3 Agent Service for Windows Runtime License	NDT-2102	\$5,500

2.1.3.2 Support Contracts for SNMPv3 Agent Service for Windows

Product / Description	Product ID	Sales Price (US\$)
Support Contract offers one year of product maintenance updates plus 10 support incidents.		
Support for SNMPv3 Agent Service Runtime for Windows	NDT-21xx-SC	25% of NDT-21xx

2.2 SNMP Manager Development Tools for Windows

2.2.1 NuDesign SNMP Manager Studio for Windows

2.2.1.1 Development Tools License for SNMP Manager Studio for Windows

Product / Description	Product ID	Sales Price (US\$)
<p><u>The NuDesign SNMP Manager Studio for Windows Development License provides complete SNMPv3 Manager framework and consists of:</u></p> <ul style="list-style-type: none"> • Visual xManagerBuilder for C++, a code generation wizard for Windows. It generates Manager Application Project for Visual Studio. • SNMPv1/v2c/v3 C++ Management Libraries for multithreaded SNMP Manager Application for Windows. Supports Send / Receive Traps and Informs functions. • Sample code in C++ demonstrating typical management functions, such as Get Table, MIB Browser, SNMP Polling Engine, Trap handling and others. • SNMPv1/v2c/v3 Manager Configuration Editor. 		
<p>Single Developers License for NuDesign SNMP Manager Studio for Windows</p> <p>Includes 1 set of manager development tools License. Source Code & Runtime License is separate and needs to be selected from Section 2.2.1.3.</p>	NDT-6600	\$3,000
<p>3 Developers License for NuDesign C++ SNMP Manager Studio for Windows</p> <p>Includes 3 set of manager development tools License. Source Code & Runtime License is separate and needs to be selected from Section 2.2.1.3.</p>	NDT-6601	\$5,500
<p>Site Developers License for NuDesign C++ SNMP Manager Studio for Windows</p> <p>Includes "Site Developers" set of manager development tools License. Source Code & Runtime License is separate and needs to be selected from Section 2.2.1.3.</p>	NDT-6602	\$8,500

2.2.1.2 Support Contracts for SNMP Manager Studio for Windows

Product / Description	Product ID	Sales Price (US\$)
Support Contract offers one year of product maintenance updates plus 10 support incidents		
Support for SNMP Manager Studio for Windows	NDT-660x-SC	25% of NDT-660x
Support for SNMPv1/v2c/v3 Manager Source & Unlimited Runtime SDK	NDT-6735-SC	\$4,000
Support for SNMPv1/v2c/v3 Manager Runtime SDK	NDT-673x-SC NDT-6733-SC	25% of NDT-673x \$3,000

2.2.1.3 Source Code & Runtime Licenses for SNMP Manager Studio for Windows

Product / Description	Product ID	Sales Price (US\$)
Source Code & Runtime License Options for SNMP Manager Studio for Windows for use in single, specific functionality product line.		
25 Runtime License	NDT-6730	\$500
100 Runtime License	NDT-6731	\$1,200
500 Runtime License	NDT-6732	\$4,300
Unlimited Runtime License for SNMPv1/v2c/v3 Manager	NDT-6733	\$13,000
SNMPv1/v2c/v3 C++ Management Libraries Source Code License – add-on to SNMPv1/v2c/v3 Manager Unlimited Runtime License	NDT-6735	\$17,000

2.2.2 SNMP Developer's Controls for Windows

2.2.2.1 Development and Runtime Licenses for SNMPv3 Control

Product / Description	Product ID	Sales Price (US\$)
Full support for SNMPv1/v2c/v3 with capability to send/receive traps and informs. This product consists of an SNMPv3 ActiveX Control and sample code in VB, C# and C++.		
Single Developer Seat License, runtimes separate	NDT-1030	\$3,000
3 Developer Seats License, runtimes separate	NDT-1031	\$5,500
Site Developer Seats License, runtimes separate	NDT-1032	\$8,500
25 Runtime License	NDT-1035	\$500
100 Runtime License	NDT-1036	\$1,200
500 Runtime License	NDT-1037	\$4,300
Unlimited Runtime License for SNMPv3 single, specific functionality product	NDT-1038	\$13,000
SNMPv1/v2c/v3 Library Source Code License – add-on to the Unlimited Runtime License	NDT-1040	\$17,000

Note: The SNMPv3 Control is also available with AuthNoPriv option to accommodate export license requirements.

2.2.2.2 Development & Runtime Licenses for SNMP MIB Compiler Control

Product / Description	Product ID	Sales Price (US\$)
SNMP MIB Compiler Control		
single developer seat license, runtimes separate	NDT-1210	\$2,500
3 developer seats license, runtimes separate	NDT-1213	\$5,500
site developer seats license, runtimes separate	NDT-1211	\$8,500
25 runtime license	NDT-1235	\$500
100 runtime license	NDT-1236	\$1,200
500 runtime license	NDT-1237	\$3,800
Unlimited runtime license	NDT-1238	\$9,000
MIB Compiler Control / C++ Library Source Code License – add-on to Unlimited Runtime License	NDT-1240	\$8,000

2.2.2.3 Support Contracts for SNMP Developer's Controls

Product / Description	Product ID	Sales Price (US\$)
Support Contract offers one year of product maintenance updates plus 10 support incidents		
SNMP Developer's ActiveX Controls Support Contracts		
SNMPv3 Control Developer Seat	NDT-103x-SC	25% of NDT-103x
SNMPv3 Control Runtimes	NDT-103x-SC NDT-1038-SC	25% of NDT-103x \$3,000
SNMPv3 Control Source and Unlimited Runtimes	NDT-1040-SC	\$4,000
SNMP MIB Compiler Control Developer Seat	NDT-121x-SC	25% of NDT-121x
SNMP MIB Compiler Control Runtimes	NDT-123x-SC NDT-1238-SC	25% of NDT-123x \$2,000
SNMP MIB Compiler Control Source and Unlimited Runtimes	NDT-1240-SC	\$3,000

3 Development Tools for Linux & Embedded Systems

3.1 SNMP Agent Development Tools with HTTP option for Linux & Embedded

3.1.1 NuDesign SNMP Agent Studio for Linux

3.1.1.1 Development Tools License for SNMP Agent Studio for Linux

Product / Description	Product ID	Sales Price (US\$)
<p><u>The NuDesign SNMP Agent Studio for Linux (with optional HTTP access) Development License consists of:</u></p> <ul style="list-style-type: none"> • Visual Embedded xAgentBuilder for C++, Linux Edition: Windows hosted (or Command Line for Linux Host), C++ code generation wizard for standalone SNMPv3 Linux Agents, dynamically loadable extension DLL's and/or Remote AgentX subagents (optional HTTP access to MIB instrumentation). It generates agent projects for Linux development environment (GNU Make, KDevelop). • Windows hosted SNMPv3/HTTP Agent Configuration Editor. • SDK for Multiprotocol SNMP Agent for Linux, contains SNMPv1/v2c/v3 and HTTP Linux C++ libraries. The MIB II and Host Resources MIB implementations are included. 		
<p>Single Developer License for NuDesign C++ SNMP Agent Studio for Desktop Linux</p> <p>Includes 1 set of agent development tools license. Runtime License is separate and needs to be selected from Section 3.1.1.3.</p>	NDT-3600	\$3,000
<p>3 Developers License for NuDesign C++ SNMP Agent Studio for Linux</p> <p>Includes 3 sets of agent development tools license. Runtime License is separate and needs to be selected from Section 3.1.1.3.</p>	NDT-3601	\$5,500
<p>Site Developers License for NuDesign C++ SNMP Agent Studio for Linux</p> <p>Includes "Site Developers" set of agent development tools license. Runtime License is separate & needs to be selected from Section 3.1.1.3.</p>	NDT-3602	\$8,500

3.1.1.2 Support Contract for SNMP Agent Studio Products for Linux

Product / Description	Product ID	Sales Price (US\$)
Support Contract offers one year of product maintenance updates plus 10 support incidents		
Support for C++ SNMP Agent Studio for Linux	NDT-360x-SC	25% of NDT-360x
Support for extension DLL/remote/standalone SNMPv3 Agent Runtime SDK	NDT-338x-SC	25% of NDT-338x
Support for extension DLL/remote/standalone HTTP Agent Runtime SDK	NDT-339x-SC	25% of NDT-339x

The current license owners of SNMP Agent Studio for Linux receive free Visual xAgentBuilder for C++, SNMP Agent code generator for other OS/RTOS targets, with the purchase of runtime license for a new target environment.

3.1.1.3 Source Code & Runtime Options for SNMP Agent Studio for Linux

Product / Description	Product ID	Sales Price (US\$)
Source Code & Runtime License options for SNMPv3 and/or HTTP Linux Agent and SNMPv3/HTTP Agent Configuration Editor. Includes MIB II and Host Resources MIB implementations.		
Source Code & Runtime Licenses – SNMP option		
25 SNMPv3 Agent Runtime Licenses	NDT-3380	\$500
100 SNMPv3 Agent Runtime Licenses	NDT-3381	\$1,200
500 SNMPv3 Agent Runtime Licenses	NDT-3382	\$4,300
Source Code & Runtime Licenses – HTTP option		
25 HTTP Agent Runtime Licenses	NDT-3390	\$500
100 HTTP Agent Runtime Licenses	NDT-3391	\$1,000
500 HTTP Agent Runtime Licenses	NDT-3392	\$4,000

3.1.2 NuDesign SNMPv3 Agent Service for Linux Servers (SNMPv3 daemon)

3.1.2.1 Runtime Options for SNMPv3 Agent Service for Linux Servers

Product / Description	Product ID	Sales Price (US\$)
Runtime License options of NuDesign SNMPv1/v2c/v3 Agent Service for Linux. Multithreaded, supports dynamic loading / unloading of extension DLLs. Supports SNMP extension DLL API & Remote AgentX standard. The MIB II and Host Resources MIB implementations are included.		
1 NuDesign SNMPv3 Agent Service for Linux Runtime License	NDT-3110	\$95
25 NuDesign SNMPv3 Agent Service for Linux Runtime License	NDT-3100	\$650
100 NuDesign SNMPv3 Agent Service for Linux Runtime License	NDT-3101	\$1,400
500 NuDesign SNMPv3 Agent Service for Linux Runtime License	NDT-3102	\$5,500

3.1.2.2 Support Contracts for SNMPv3 Agent Service for Linux Servers

Product / Description	Product ID	Sales Price (US\$)
Support Contract offers one year of product maintenance updates plus 10 support incidents.		
Support for SNMPv3 Agent Service Runtime for Linux	NDT-31xx-SC	25% of NDT-31xx

3.1.3 NuDesign SNMP Agent Studio for Embedded Linux & RTOS

3.1.3.1 Development Tools License for SNMP Agent Studio for Embedded Linux & RTOS

Product / Description	Product ID	Sales Price (US\$)
<p><u>The NuDesign SNMP Agent Studio for Embedded Linux & RTOS (with optional HTTP access) Development License consists of:</u></p> <ul style="list-style-type: none"> • Visual Embedded xAgentBuilder for C++, Embedded Linux & RTOS Edition: Windows hosted, C++ code generation wizard (or Command Line for Linux Host) for embedded SNMPv1/v2c/v3 Agents, standalone or Master Agent and dynamically loadable extension and/or Remote AgentX subagents are supported (with optional HTTP access to MIB instrumentation). It generates complete agent project for Embedded Linux & RTOS and its development environment. • Windows hosted SNMPv3/HTTP Agent Configuration Editor. • SDK for Multiprotocol SNMP Agent for Embedded Linux & RTOS, contains SNMPv1/v2c/v3 and HTTP C++ libraries for specific embedded environment. 		
<p>Single Developers License for NuDesign SNMP Agent Studio for Embedded Linux & RTOS</p> <p>Includes 1 set of agent development tools License. Source Code & Runtime License is separate and needs to be selected from Section 3.1.2.3.</p>	NDT-4300	\$3,000
<p>3 Developers License for NuDesign SNMP Agent Studio for Embedded Linux & RTOS</p> <p>Includes 3 set of agent development tools License. Source Code & Runtime License is separate and needs to be selected from Section 3.1.2.3.</p>	NDT-4301	\$5,500
<p>Site Developers License for NuDesign SNMP Agent Studio for Embedded Linux & RTOS</p> <p>Includes "Site Developers" set of agent development tools License. Source Code & Runtime License is separate and needs to be selected from Section 3.1.2.3.</p>	NDT-4302	\$8,500

3.1.3.2 Support Contracts for SNMP Agent Studio Products for Embedded Linux & RTOS

Product / Description	Product ID	Sales Price (US\$)
Support Contract offers one year of product maintenance updates plus 10 support incidents		
Support for SNMP Agent Studio for Embedded Linux & RTOS	NDT-43xx-SC	25% of NDT-430x
Support for SNMPv1/v2c/v3 Agent Source Code & Runtime SDK	NDT-4430-SC	\$4,000
Support for SNMPv1/v2c/v3 Agent Runtime SDK	NDT-4433-SC	\$3,000
Support for SNMPv1/v2c Agent Source Code & Runtime SDK	NDT-4420-SC	\$2,000
Support for SNMPv1/v2c Agent Runtime SDK	NDT-4423-SC	\$1,500
Support for HTTP Agent Source Code & Runtime SDK	NDT-4440-SC	\$1,000
Support for HTTP Agent Runtime SDK	NDT-4443-SC	\$750

The current license owners of SNMP Agent Studio for Embedded Linux & RTOS receive free Visual xAgentBuilder for C++, SNMP Agent code generator for other OS/RTOS targets, with the purchase of runtime license for a new target environment.

3.1.3.3 Source Code & Runtime Licenses for SNMP Agent Studio for Embedded Linux & RTOS

Product / Description	Product ID	Sales Price (US\$)
Source Code & Runtime License Options for Embedded SNMPv3 / SNMPv1/v2 & HTTP Agent for use in single, specific functionality Embedded Product Line.		
Single Embedded Product License – SNMPv1/v2c/v3 options		
Source Code & Unlimited Runtime License for Embedded SNMPv3 Agent for single, specific functionality product line.	NDT-4430	\$26,000
Unlimited Runtime License for Embedded SNMPv1/v2c/v3 Agent for single, specific functionality product line.	NDT-4433	\$15,000
SNMPv1/v2c/v3 Source Code License – add-on to Embedded SNMPv1/v2c/v3 Agent Unlimited Runtime License	NDT-4434	\$15,000
Single Embedded Product License – SNMPv1/v2c options		
Source Code & Unlimited Runtime License for Embedded SNMPv1/v2c Agent for single, specific functionality product line.	NDT-4420	\$14,000
Unlimited Runtime License for Embedded SNMPv1/v2c Agent for single, specific functionality product line.	NDT-4423	\$8,000
SNMPv1/v2c Source Code License – add-on to Embedded SNMPv1/v2c Agent Unlimited Runtime License	NDT-4424	\$8,000
Single Embedded Product License – HTTP options		
Source Code & Unlimited Runtime License for Embedded HTTP Agent for single, specific functionality product line.	NDT-4440	\$10,000
Unlimited Runtime License for Embedded HTTP Agent for single, specific functionality product line.	NDT-4443	\$8,000
HTTP Agent Source Code License – add-on to Embedded HTTP Agent Unlimited Runtime License	NDT-4444	\$3,500

Note:

The source code license along with Visual xAgentBuilder for C++, Embedded Linux & RTOS Edition tool include complete sources to build SNMPv1/v2c or SNMPv1/v2c/v3 and HTTP agents for embedded environments. The major source code components are: SNMPv1/v2c or SNMPv1/v2c/v3 protocol stacks, MIB II code, MIB Handler, HTTP Server Plug-in, Open SSL Crypto as needed, interface to non-volatile storage and others.

Supported today are: QNX Neutrino[®], ENEA OSE RTOS, MontaVista Software and Embedded Linux, generic Linux distributions and WindRiver VxWorks.

Please call for update on the embedded environment of interest to your program.

3.2 CLI Development Tools for Embedded Linux & RTOS Systems

3.2.1 NuDesign Hierarchical CLI Builder Studio for Embedded Linux & RTOS

3.2.1.1 Development License for CLI Builder Studio for Embedded Linux & RTOS

Product / Description	Product ID	Sales Price (US\$)
<p>The NuDesign CLI Builder Studio for Embedded Linux & RTOS Development License consists of:</p> <ul style="list-style-type: none"> • Visual Embedded xCLI Builder for C++, the Java VM hosted, visual builder & C++ code generation wizard for embedded Command Line Interface. It generates complete hierarchical CLI application project for Embedded Linux & RTOS and its development environment. • SDK for CLI Application for Embedded Linux & RTOS, contains CLI C++ libraries for specific embedded environment. 		
<p>Single Developers License for NuDesign CLI Builder Studio for Embedded Linux & RTOS</p> <p>Includes 1 set of CLI Application development tools License. Source Code & Runtime License is separate and needs to be selected from Section 3.2.1.3.</p>	NDT-4700	\$2,000
<p>3 Developers License for NuDesign CLI Builder Studio for Embedded Linux & RTOS</p> <p>Includes 3 set of CLI Application development tools License. Source Code & Runtime License is separate and needs to be selected from Section 3.2.1.3.</p>	NDT-4701	\$3,600
<p>Site Developers License for NuDesign CLI Builder Studio for Embedded Linux & RTOS</p> <p>Includes "Site Developers" set of CLI Application development tools License. Source Code & Runtime License is separate and needs to be selected from Section 3.2.1.3.</p>	NDT-4702	\$5,600

3.2.1.2 Support Contracts for CLI Builder Studio for Embedded Linux & RTOS

Product / Description	Product ID	Sales Price (US\$)
Support Contract offers one year of product maintenance updates plus 10 support incidents		
Support for C++ CLI Builder Studio for Embedded Linux & RTOS	NDT-47xx-SC	25% of NDT-470x
Support for CLI Application Source Code & Unlimited Runtime SDK	NDT-4830-SC	\$3,000
Support for CLI Application Unlimited Runtime SDK	NDT-4833-SC	\$2,000

3.2.1.3 Source Code & Runtime Licenses for CLI Builder Studio for Embedded Linux & RTOS

Product / Description	Product ID	Sales Price (US\$)
Source Code & Runtime License Options for Embedded CLI Application for use in single, specific functionality Embedded Product Line.		
Source Code & Unlimited Runtime License for Embedded CLI Application for single, specific functionality product line.	NDT-4830	\$19,000
Unlimited Runtime License for Embedded CLI Application for single, specific functionality product line.	NDT-4833	\$14,000
CLI Source Code License – add-on to Embedded CLI Application Unlimited Runtime License.	NDT-4834	\$9,000

3.3 SNMP Manager Development Tools for Embedded Linux & RTOS

3.3.1 NuDesign SNMP Manager Studio for Embedded Linux & RTOS

3.3.1.1 Development Tools License for SNMP Manager Studio for Embedded Linux & RTOS

Product / Description	Product ID	Sales Price (US\$)
<p><u>The NuDesign SNMP Manager Studio for Embedded Linux & RTOS Development License provides complete SNMPv3 Manager framework and consists of:</u></p> <ul style="list-style-type: none"> • Visual Embedded xManager Builder for C++, a code generation wizard for Embedded Linux & RTOS. Windows hosted, it generates Manager Application Project for Embedded Linux & RTOS development environment. • SNMPv1/v2c/v3 C++ Management Library for multithreaded SNMP Manager Application for Embedded Linux & RTOS. Supports Send / Receive Traps and Informs functions. • Sample code in C++ demonstrating typical management functions, such as Get Table, MIB Browser, SNMP Polling Engine, Trap handling and others. • Windows hosted SNMPv1/v2c/v3 Manager Configuration Editor. 		
<p>Single Developer License for NuDesign SNMP Manager Studio for Embedded Linux & RTOS</p> <p>Includes 1 set of manager development tools License. Source Code & Runtime License is separate and needs to be selected from Section 3.3.1.3.</p>	NDT-6300	\$3,000
<p>3 Developers License for NuDesign SNMP Manager Studio for Embedded Linux & RTOS</p> <p>Includes 3 set of manager development tools License. Source Code & Runtime License is separate and needs to be selected from Section 3.3.1.3.</p>	NDT-6301	\$5,500
<p>Site Developers License for NuDesign SNMP Manager Studio for Embedded Linux & RTOS</p> <p>Includes "Site Developers" set of manager development tools License. Source Code & Runtime License is separate and needs to be selected from Section 3.3.1.3.</p>	NDT-6302	\$8,500

3.3.1.2 Support Contracts for SNMP Manager Studio for Embedded Linux & RTOS

Product / Description	Product ID	Sales Price (US\$)
Support Contract offers one year of product maintenance updates plus 10 support incidents		
Support for C++ SNMP Manager Studio for Embedded Linux & RTOS	NDT-630x-SC	25% of NDT-630x
Support for SNMPv1/v2c/v3 Manager Source Code & Runtime SDK	NDT-6430-SC	\$4,000
Support for SNMPv1/v2c/v3 Manager Runtime SDK	NDT-6433-SC	\$3,000

3.3.1.3 Source Code & Runtime License for SNMP Manager Studio for Embedded Linux & RTOS

Product / Description	Product ID	Sales Price (US\$)
Source Code & Runtime License Options for SNMP Manager Studio for Embedded Linux & RTOS for use in single, specific functionality Embedded Product Line.		
Source Code & Unlimited Runtime License for Embedded SNMPv3 Manager for single, specific functionality product line.	NDT-6430	\$26,000
Unlimited Runtime License for Embedded SNMPv1/v2c/v3 Manager for single, specific functionality product line.	NDT-6433	\$15,000
SNMPv1/v2c/v3 Source Code License – add-on to Embedded SNMPv1/v2c/v3 Manager Unlimited Runtime License	NDT-6434	\$15,000

3.3.2 NuDesign SNMP MIB Compiler C++ Library for Linux

3.3.2.1 Development License for SNMP MIB Compiler C++ Library for Linux

Product / Description	Product ID	Sales Price (US\$)
Development seat for SNMP MIB Compiler C++ Library for Linux		
Single Developer License for NuDesign SNMP MIB Compiler C++ Library for Linux Includes 1 set of manager development tools License. Source Code & Runtime License is separate and needs to be selected from Section 3.3.2.3.	NDT-6900	\$2,500
3 Developers License for NuDesign SNMP MIB Compiler C++ Library for Linux Includes 3 set of manager development tools License. Source Code & Runtime License is separate and needs to be selected from Section 3.3.2.3.	NDT-6901	\$5,500
Site Developers License for NuDesign SNMP MIB Compiler C++ Library for Linux Includes "Site Developers" set of manager development tools License. Source Code & Runtime License is separate and needs to be selected from Section 3.3.2.3.	NDT-6902	\$8,500

3.3.2.2 Support Contracts for SNMP MIB Compiler C++ Library for Linux

Product / Description	Product ID	Sales Price (US\$)
Support Contract offers one year of product maintenance updates plus 10 support incidents		
Support for Development Seat for SNMP MIB Compiler C++ Library	NDT-690x-SC	25% of NDT-690x
Support for SNMP MIB Compiler C++ Library Source Code & Unlimited Runtime SDK	NDT-6930-SC	\$2,000
Support for SNMP MIB Compiler C++ Library Unlimited Runtime SDK	NDT-6933-SC	\$1,500

3.3.2.3 Source Code & Runtime License for SNMP MIB Compiler C++ Library for Linux

Product / Description	Product ID	Sales Price (US\$)
Source Code & Runtime License Options for NuDesign SNMP MIB Compiler C++ Library for Linux for use in single, specific functionality Embedded Product Line.		
Source Code & Unlimited Runtime License for MIB Compiler C++ Library for single, specific functionality product line.	NDT-6930	\$14,000
Unlimited Runtime License for MIB Compiler C++ Library for single, specific functionality product line.	NDT-6933	\$9,000
SNMP MIB Compiler C++ Library Source Code License – add-on to Unlimited Runtime License	NDT-6934	\$8,000

4 SNMP Applications for Developers

4.1 Visual MIBrowsers, Visual SNMP Traffic Monitor & Visual MIBuilder for MS Windows

4.1.1 User Licenses for SNMP Developer's Applications

Product / Description	Product ID	Sales Price (US\$)
Visual MIBrowser Professional		
single user license	NDT-2060	\$600
3 users license	NDT-2061	\$1,600
site users license	NDT-2062	\$5,800
Visual MIBrowser		
single user license	NDT-2000	\$400
3 users license	NDT-2001	\$1,000
site users license	NDT-2002	\$3,400
Visual MIBuilder		
single user license	NDT-2020	\$900
3 users license	NDT-2021	\$2,500
site users license	NDT-2022	\$4,400
Visual SNMP Traffic Monitor		
single user license	NDT-2010	\$500
3 users license	NDT-2011	\$1,250
site users license	NDT-2012	\$2,450
SNMP Applications Bundle (Visual MIBrowser, Visual SNMP Traffic Monitor & Visual MIBuilder)		
single user license	NDT-2050	\$1,000
3 users license	NDT-2051	\$2,850
site users license	NDT-2052	\$7,200
SNMP Pro Applications Bundle (Visual MIBrowser Pro, Visual SNMP Traffic Monitor & Visual MIBuilder)		
single user license	NDT-2080	\$1,250
3 users license	NDT-2081	\$3,550
site users license	NDT-2082	\$9,500

4.1.2 Support Contracts for SNMP Developer's Applications

Product / Description	Product ID	Sales Price (US\$)
Support Contract offers one year of product maintenance updates plus 10 support incidents		
Visual MIBrowser Professional	NDT-206x-SC	25% of NDT-206x
Visual MIBrowser	NDT-200x-SC	25% of NDT-200x
Visual MIBuilder	NDT-202x-SC	25% of NDT-202x
Visual SNMP Traffic Monitor	NDT-201x-SC	25% of NDT-201x
SNMP Applications Bundle (Visual MIBrowser & Visual MIBuilder)	NDT-205x-SC	25% of NDT-205x
SNMP Pro Applications Bundle (Visual MIBrowser Pro & Visual MIBuilder)	NDT-208x-SC	25% of NDT-208x

5 SNMP Applications for OEM and End User

5.1 Visual MIBrowsers for Windows

5.1.1 User Licenses for Visual MIBrowsers

Product / Description	Product ID	Sales Price (US\$)
Visual MIBrowser Professional		
single user license	NDT-2060	\$600
3 users license	NDT-2061	\$1,600
site users license	NDT-2062	\$5,800
Visual MIBrowser		
single user license	NDT-2000	\$400
3 users license	NDT-2001	\$1,000
site users license	NDT-2002	\$3,400

5.1.2 Support Contracts for Visual MIBrowsers

Product / Description	Product ID	Sales Price (US\$)
Support Contract offers one year of product maintenance updates plus 10 support incidents		
Visual MIBrowser Professional	NDT-206x-SC	25% of NDT-206x
Visual MIBrowser	NDT-200x-SC	25% of NDT-200x

5.2 Visual SNMP Traffic Monitor for Windows

5.2.1 User Licenses for Visual SNMP Traffic Monitor

Product / Description	Product ID	Sales Price (US\$)
Visual SNMP Traffic Monitor		
single user license	NDT-2010	\$500
3 users license	NDT-2011	\$1,250
site users license	NDT-2012	\$2,450

5.2.2 Support Contracts for Visual SNMP Traffic Monitor

Product / Description	Product ID	Sales Price (US\$)
Support Contract offers one year of product maintenance updates plus 10 support incidents		
Visual SNMP Traffic Monitor	NDT-201x-SC	25% of NDT-201x

5.3 NuDesign SNMPv3 Agent Service for Windows

5.3.1 Runtime Options for SNMPv3 Agent Service for Windows

Product / Description	Product ID	Sales Price (US\$)
Runtime License options of NuDesign SNMPv1/v2c/v3 Agent Service for Windows - seamless replacement of Microsoft SNMPv1/v2 Agent Service. Multithreaded, dynamic loading / unloading of extension DLLs. Includes distributable SNMPv3 Agent Configuration Editor. Supports SNMP Extension DLL API & Remote AgentX standard.		
1 NuDesign SNMPv3 Agent Service for Windows Runtime License	NDT-2110	\$95
25 NuDesign SNMPv3 Agent Service for Windows Runtime License	NDT-2100	\$650
100 NuDesign SNMPv3 Agent Service for Windows Runtime License	NDT-2101	\$1,400
500 NuDesign SNMPv3 Agent Service for Windows Runtime License	NDT-2102	\$5,500

5.3.2 Support Contracts for SNMPv3 Agent Service for Windows

Product / Description	Product ID	Sales Price (US\$)
Support Contract offers one year of product maintenance updates plus 10 support incidents.		
Support for SNMPv3 Agent Service Runtime for Windows	NDT-21xx-SC	25% of NDT-21xx

5.4 NuDesign SNMPv3 Agent Service for Linux Servers (SNMPv3 daemon)

5.4.1 Runtime Options for SNMPv3 Agent Service for Linux Servers

Product / Description	Product ID	Sales Price (US\$)
Runtime License options of NuDesign SNMPv1/v2c/v3 Agent Service for Linux. Multithreaded, supports dynamic loading / unloading of extension DLLs. Supports SNMP extension DLL API & Remote AgentX standard. The MIB II and Host Resources MIB subagents are included.		
1 NuDesign SNMPv3 Agent Service for Linux Runtime License	NDT-3110	\$95
25 NuDesign SNMPv3 Agent Service for Linux Runtime License	NDT-3100	\$650
100 NuDesign SNMPv3 Agent Service for Linux Runtime License	NDT-3101	\$1,400
500 NuDesign SNMPv3 Agent Service for Linux Runtime License	NDT-3102	\$5,500

5.4.2 Support Contracts for SNMPv3 Agent Service for Linux Servers

Product / Description	Product ID	Sales Price (US\$)
Support Contract offers one year of product maintenance updates plus 10 support incidents.		
Support for SNMPv3 Agent Service Runtime for Linux	NDT-31xx-SC	25% of NDT-31xx

5.5 NuDesign SNMP Middle Layer Manager (MLM) Server for Windows

5.5.1 Runtime Options for SNMP Middle Layer Manager (MLM) Server for Windows

Product / Description	Product ID	Sales Price (US\$)
Runtime License options for NuDesign SNMP MLM Server for Windows – provides for highly scalable SNMP monitoring of remote SNMP domains. It contains Alarm Detection, Event Management, Trending, Notification Manager, SQL Database interface and Reporting support (SQL Database is not included). Includes SNMPv3 MLM Server Configuration Editor.		
NuDesign SNMP Middle Layer Manager for Windows Runtime License	NDT-16600	please call

5.5.2 Support Contract for SNMP Middle Layer Manager Server (MLM) for Windows

Product / Description	Product ID	Sales Price (US\$)
Support Contract offers one year of product maintenance updates plus 10 support incidents.		
Support for NuDesign SNMP MLM Server for Windows	NDT-16600-SC	please call

6 Extended Support Contracts

Product / Description	Product ID	Sales Price (US\$)
Prepaid up to 5 hours design consulting services	NDT-5000	\$625
Prepaid up to 10 hours design consulting services	NDT-5001	\$1,200
Four months extended support contract. Guaranteed next day response time. Ten hours per month limit. Non cumulative.	NDT-5005	\$5,000
Four months extended support contract. Guaranteed next day response time. Twenty hours per month limit. Non cumulative.	NDT-5006	\$8,800
One year extended support contract. Guaranteed next day response time. Ten hours per month limit. Non cumulative.	NDT-5015	\$13,200
One year extended support contract. Guaranteed next day response time. Twenty hours per month limit. Non cumulative.	NDT-5016	\$24,000
User supplies compiling MIB, NuDesign ships MS Windows extension DLL source code & 25 DLL runtime license.	NDT-5007	\$1,500
Extended design consulting services tailored to the specific needs are available		please call

7 SNMP Agent Development Classes

Product / Description	Product ID	Sales Price (US\$)
<u>SNMP Agent Development Course covers:</u> <ul style="list-style-type: none"> • SNMP fundamentals. • Working with NuDesign's Visual xAgentBuilder for C++, multiprotocol SNMP Agent code generator. • Review of libraries - configuration, decomposition, directories, how to build, and build options. • MIB instrumentation examples and strategies. 		
Two full days course at NuDesign's Toronto facility, up to two people	NDT-5500	\$2,500
Each additional person, up to max 5 people per course	NDT-5501	\$850

8 Product Upgrade Pricing

Product / Description	Product ID	Sales Price (US\$)
Major Upgrade Release		
upgrade to a new, major product release. (Support Contract for Upgrades is 25% of product list price)	NDT-xxxx-U (buying NDT-xxxx product as an Upgrade)	credit 50% of current License price toward upgraded product purchase if within 2 years of original purchase
Development Tools / Support Contracts License Upgrade		
upgrade to higher volume Development Tools / Support Contracts License	NDT-xxxx-LU (buying NDT-xxxx product as an License Upgrade)	credit 50% of current License price toward new product purchase if within 2 years of original purchase

9 Product Shipping and Handling

Delivery method	Price (US\$)
By mail – all destinations	\$15
By courier – continental USA & Canada	\$50
By courier – other destinations	\$75

10 Purchase

NuDesign accepts Purchase Orders for the products listed in this document. Additionally, the SNMP Applications and / or Controls can be purchased via secure on-line NuDesign's BlueSnap (formerly Plimus) store.

Purchase orders can be faxed to (416) 445-9101 or emailed to contact@ndt-inc.com

All products include Support Contracts (email and / or phone technical support and free maintenance updates) for 30 days from the date of purchase. Annual Support Contracts are recommended and can be purchased from NuDesign on request.

For any questions, please call (416) 737 0328 between 9 AM – 5 PM EST.
